

Zoom Special Board Meeting of the Cape Cod Hydrangea Society

October 12, 2021

Present: Co-Presidents Joyce Halpert and Emily Woudenberg; Vice President, Linda McNeilly; Secretary, Carolyn Weiss; Treasurer, Abby Menard; Assistant Treasurer, Peter Berrien; and Membership Director, Donna Laemmler

The meeting was opened at 4:30 PM by Co-President Emily Woudenberg.

The purpose of the meeting was to discuss the proposal from the Village Garden Club of Dennis asking for our help in planting the entry circle at Forward at the Rock on Hokum Rock Road in Dennis. The request was made by their president, Mary Rakel and vice-president, Donna Garrabrant, who is also a member of the Cape Cod Hydrangea Society. They had made a formal presentation prior to our September 22, 2021, board meeting. They had previously contacted Linda Coven about the need for landscaping design and planters to work on that rotary as well as a \$1000 donation for materials from the CCHS. They already have 15 hydrangeas which they need help in planting.

It is intended that this becomes a project for the residents of the facility after we install the garden and instruct them on its care. It is currently a one-year involvement for us.

Peter moved that we accept their proposal and Joyce seconded it. There being no objection, the motion carried unanimously.

Linda also proposed that we send an email call to members to assist with fall cleanup at Heritage Plantation hydrangea gardens on October 21 at 8:00AM until noon. Joyce moved that we do so, and Linda seconded.

New Business: Abby will download from our website the minutes of the meeting when election of new officers was held (September 29, 2021) which are needed at the bank where we have our CCHS account.

The meeting was adjourned at 4:52PM.

Respectfully submitted,

Carolyn Weiss, Secretary
